

# Villa Golf Cala di Volpe

## Overview

This exceptional estate harmoniously combines traditional stazzi architecture with refined contemporary comforts. The private avenue leading to the main entrance is enriched with artisanal iron, copper, and wood accents, immediately setting the tone for the property's unique character. The elegant French-style jardin d'hiver, complete with a small bathroom, can be fully shaded and transformed into a cozy relaxation area for 2-3 people. On the ground floor, there is a master bedroom with private bathroom (bathtub, shower, bidet), a twin bedroom, and an additional bathroom. The main entrance opens into a bright living room with a dining table and a large window overlooking the patio, furnished to accommodate 12-16 guests. The kitchen, featuring antique wood design, is equipped with two ovens, two dishwashers, an American-style fridge, and a washing machine. The Master Suite is a private haven featuring a walk-in closet, an artistic bathroom, and a master bedroom with sea views toward Tavolara. The main patio, furnished for 16 guests, offers stunning views of the sea and Tavolara Island. A second patio/gazebo includes an artistic table, barbecue, and fridge, also with sea views. The outdoor area is completed by a swimming pool and a sun-drenched solarium. Lower Floor: Accessible both internally and externally, it includes three double bedrooms, each with a private bathroom and independent entrance. The garden also features a traditional pizza oven and a small gazebo. A second kitchen, with artistic design, is equipped with an oven, dishwasher, washing machine, American fridge, and a dedicated bathroom for the chef. Upper Floor: A large panoramic terrace, furnished in French style with three lounge areas and a dining table, offers breathtaking views of the surrounding islands.
